

Mind Contorted
Daniel Johnston

G
I ve been through some hard
C **G**
But im feelin so much better
G
I m standing in yr yard
C **G**
i could be here forever
Em **C**
and i know if you saw me now
D
you would be much perplexed
Em **C**
and i know if you saw me now
D
yr mind would be contorted
G
but i love you.
C
every time i think of you
G
the sun shines brightly on my soul
C
but theres something missing there
D
part of you part of the whole.

like most danny songs it just repeats itself. have fun.
