

Psycho Nightmare

Daniel Johnston

psycho nightmare by daniel johnston yo.

daniel ventures into the key of c for this fabulously punky number.

C **F**
it s just another psycho nightmare
C **G**
so don t you forget
C **F** **C** **G**
you ve always been the teachers pet
C **F**
its a tired and slow song baby
C **G**
so don t be upset
C **F**
just remember the future has
C **G**
not happened yet
F **C**
every little thing you dream of
G **C**
could be made true
F **C**
every shining thing you joke up
G **C**
could happen to you.

do it over and over again. the words in the chorus are worng.

have fun.
