

Silly Love

Daniel Johnston

Tabbed from Live at SXSW album

totally awesome song, one of the saddest in rock history:

Tune down 1/2 a step

G **Em**
I ve come this far i know i can make it
G **Em**
got a broken heart and you can t break a broken heart
C **D** **C** **D**
I come knocking at your door, you don t love me anymore
C **D...**
but i just can t give up, cause i don t know what to do about it
(Pause)
G **Em**
You don t love me you must be wrong
G **Em**
You can smile now and put a happy ending to my song
C **D** **C** **D**
I come knocking on you door you don t live there anymore
C **D**
Is it just a memory or am i a little, crazy for you
(Pause)
G **Em**
If there s no love i just can t believe it
G **Em**
got a troubled mind that only you can relieve
C **D** **C** **D**
I don t remember who you are, are you someone that i saw
C **D** **C** **D...**
And i really am confused but i think that I

Still love you
