Verse 2:

Iâ€™ve got a brother that I never met  
Iâ€™ve got a sister thatâ€™s not introduced to me yet  
But we want the same things  
We dream of a happy end  
And maybe that stranger coming your way  
just waiting to be a friend  
And if you want to make some changes  
Why donâ€™t you start by making friends?  
You can take a stand  
By shaking a hand  
If itâ€™s a change in you  
Then the world is changing too

Chorus 1:

Iâ€™m changing the world today,  
the world today  
With a small step forward  
and itâ€™s the simplest way,  
we can start today  
crossing lines and borders  
And the change in you, means the world is changing too.

Wonâ€™t you come, wonâ€™t you come with me  
To the World Scout Jamboree  
Wonâ€™t you come, wonâ€™t you come with me  
To the World Scout Jamboree  
Wonâ€™t you come, wonâ€™t you come with me  
To the World Scout Jamboree

If itâ€™s a change in you  
Then the world is changing too

Iâ€™m changing the world today,  
the world today  
With a small step forward  
and itâ€™s the simplest way,  
we can start today  
crossing lines and borders  
Iâ€™m changing the world today,  
the world today  
With a small step forward  
and itâ€™s the simplest way,  
we can start today  
crossing lines and borders  
And the change in you, means the world is changing too.
