

Red

Daniel Merriweather

Daniel merriweather - Red
Standard tuning

Think its ok, suggestions to justjohn_1(at)hotmail.com

[Verse 1]

A

And Iâ€™m alright

E

Standing in the streetlights here

A

Is this meant for me

E

My time on the outside is over

C#m

We donâ€™t know how youâ€™re spending

B

all of your days

A

Knowing that love isnâ€™t here

C#m

You see the pictures

B

But you donâ€™t know their names

A

Cause love isnâ€™t here

[Chorus]

E

C#m

And I canâ€™t do this by myself

A

E

All of these problems, theyâ€™re all in your head

C#m

And I canâ€™t be somebody else

A

You took something perfect

E

And painted it red

[Verse 2]

A

No sympathy

E

When shouting out is all you know

A

Behind your lies

E

I can see the secrets you donâ€™t show

C#m

We donâ€™t know how youâ€™re spending

B

All of your days

A

Knowing that love isnâ€™t here

C#m

You see the pictures

B

But you donâ€™t know their names

A

Cause love isnâ€™t here

[Chorus]

E

C#m

And I canâ€™t do this by myself

A

E

All of these problems, theyâ€™re all in your head

C#m

And I canâ€™t be somebody else

A

You took something perfect

E

And painted it red x2

[Bridge]

C#m

You take the best things from me

B

Then everything gets empty

A

Thatâ€™s not a world that I need

C#m

Ooh, you take the best things from me

B

Then everything gets empty

A

Thatâ€™s not a world that I need

Ooh

[Chorus]

E

C#m

And I canâ€™t do this by myself

A

E

All of these problems, theyâ€™re all in your head

C#m

And I canâ€™t be somebody else

A

You took something perfect

E

And painted it red
