

**Water And A Flame**  
**Daniel Merriweather**

capo 3

**Bm** **Em**  
Seven days has gone so fast  
**A** **D**  
I really thought the pain would pass  
**Bm** **Em**  
It s been nearly an hour  
**F#** **B**  
Since I thought of you  
**Bm** **Em**  
But you re not answering the phone  
**A** **D**  
I d settle for a busy tone  
**Em** **A**  
At least by that I d know that you re okay  
**Em** **A**  
A girl like you ain t meant to go away oh

**F#m7** **Bm7** **Em** **A**  
Now youre gone, theres nothing else I want  
**F#m7** **Bm7** **Em** **A**  
Now that it s over over, theres nothing else I want  
**F#m7** **Bm7** **Em** **A**  
What have I done, looks like I was wrong  
**Bm** **Em** **A**  
Is everything really meant to change  
**Bm** **Em** **A** **F#**  
I guess we re like water and flame, water and flame

**Bm** **Em**  
I m tired of this empty house,  
**A** **D**  
I need a drink to get me out.  
**Bm** **Em** **F#** **B**  
A couple more til I forget your name.  
**Bm** **Em**  
I saw a boy that looked like you,  
**A** **D**  
I didn t know quite what to do,  
**Em** **A**  
It took a power of will to break my stare.  
**Em** **A**  
I realized what I wanted wasn t there.

**Bm** **Em**  
If you see me coming...  
**A** **D**  
I look away, I look away...  
**Bm** **Em**  
And if your mind is made up...  
**A** **D**  
I look away, I will look away...  
**Bm** **Em**  
If your worry bound  
**A** **D**  
I m okay, I m okay, yes I am  
**Bm** **Em** **A**  
All this sorrow and this pain,  
**F#**  
is going to go away
