

Purse

Daniel Norgren

I noticed that there is no Daniel Norgren tabs on the web, but a lot of reuests for it so heres a first try. Probably the first Daniel Norgren tab on the internet.

The song is played on piano on the almbum, but these are the chords that he is playing which works great with guitar.

I dont want the world to miss out on this genoius of a bluesman who started out as

a one-man orchestra in the Swedish Westcoast town of BorÅs. his songs are brilliant!
