

What Needs To Be Said
Daniel Nunnelee

[Intro]

G Gsus G Gsus G

[Verse 1]

G **Gsus G Gsus**
I d like to say that our love is like a dead cell phone
G **A/G** **B/G**
where you can plug it back up and it comes back on,
C
but it s more like a friend that I lost in the past
yeah I loved who you were, but I can t get that back
G **Gsus G Gsus G**
no, no

G **Gsus G Gsus**
I d like to sleep in the comfort of my own bed
G
wrapped up in you like a book I ve not read,
C
but you kicked me out, now I m sleeping alone
G **A/G** **B/G**
on this old dirty couch checking my phone for you

[Chorus]

C
I m not talking you down
C
I m not chewing you out
C
I m not being unkind
G **Gsus G Gsus G** **A/G** **B/G**
I m just saying what s on my mind
C
I m not shutting my mouth,
C
I m not talking too loud,
C
I ain t losing my head,
G
I m just saying what needs to be said

[Verse 2]

G **Gsus G Gsus**
I d rather live in the corner of an overpass
G **A/G** **B/G**
in the middle of the city regretting my past,
C

than fall for a girl with pearly white teeth

who said she had time, but spent none on me.

G

Gsus G Gsus

I d rather busk in the streets to pay for my meals,

G

and pick up bad habits and learn how to steal,

than have a nice job but spend all my cash

on diamonds and pearls for a love that won t last,
