And when we fight we fight
And it ain't a pretty site
Well it's not complex
It's the make up sex
Though we always get that right
Well they don't make a pill
That can give me the thrill
When you look at me
Then I hear you say

We can laugh when we both fall down
Let's get stupid dancing with cupid tonight
When I sing out of key
Still play air guitar for me
Let's get stupid dancing with cupid tonight
Don't feel all kind of right
