

**Knowing That Youre Mine**  
**Daniel Romano**

**G** **G7** **F** **C/G**  
The first time that I saw her I knew she d be with me,

**C/G** **G** **Em**  
But since then I haven t hurt as I once did.

**C/G** **F** **C/G**  
The first time that I held her I started cry---ing

**Em** **Am** **C/G** **G**  
for I wanted that embrace to never end.

**D** **F** **C/G** **G**  
So walk by my side in the star tinted light.

**C/G** **G** **Am** **C/G**  
Let the look upon my face tell you more than I could say.

**D** **F** **C/G** **G**  
Stand with me here until the sun can make it clear

**C/G** **G** **Am** **C/G**  
how much brighter I can shine just knowing that you re mine.

**G** **G7** **F** **C/G**  
You know I love to talk about the day I found you,

**C/G** **G** **Em**  
And reflect upon your presence on that night.

**C/G** **F** **C/G**  
For in that room I shed my skin and started li---ving

**Em** **Am** **C/G** **G**  
I m so glad to know our love will never end.

**D** **F** **C/G** **G**  
So walk by my side in the star tinted light.

**C/G** **G** **Am** **C/G**  
Let the look upon my face tell you more than I could say.

**D**                    **F**                    **C/G**                    **G**  
Stand with me here until the sun can make it clear

**C/G**                    **G**                    **Am**                    **C/G**  
how much brighter I can shine just knowing that you re mine.
