There was a coup in the alter  
**C#m** **F#m**  
I had a friend but he got lost

Chorus:

**D** **A**  
They say time can take the pain away  
**C#m** **F#m**  
Because time changes everything

But time forgot to change my heart

And they had a baby girl

And she grew to look just like me

It's a mean and wicked world

**C#m** **F#m**  
So I took a train into that country  
**A** **D**  
And I found their little shack  
**C#m** **F#m**  
I went to drink until the sunset  
**C#m** **F#m**  
And in the darkness I came back
