[Verse 1]

**A F#m D D D/C# Bm**  
Tomorrowâ€™s near, never I felt this way

Tomorrow, how empty itâ€™ll be that day

It tastes a bitter, obvious to tears that I hide  
**D C#m F#7**  
To know that youâ€™re my only light  
**Bm E C#m F#m**  
I love you, oh I need you  
**Bm E**  
Oh, yes I do

[Refrain]

**A C#m D D D/C# Bm**  
Donâ€™t sleep away the night my baby  
**Bm E A**  
Please stay with me at least â€™till dawn  
**F#m Bm**  
It hurts to know another hour has gone by  
**E A**  
And every minute is worthwhile  
**Bm E A**  
Oh, I love you

[Intro] **A F#m D E** (2x)

[Verse 2]

**A F#m D D D/C# Bm**  
How many lonely days are there waiting for me  
**E A A A/G# F#**  
How many seasons will flow over me  
**F#m C#m D**  
â€™Till the emotions make my tears run dry  
**D C#m F#7**  
At the moments I should cry  
**Bm E C#m F#m**  
For I love you, oh I need you  
**Bm E**  
Oh, yes I do

Donâ€™t sleep away the night my baby

**Bm** **E** **A**

And It makes me so afraid
