G D G Em

[Verse 1]

G

We were together, we had a beautiful life

D Em C

Our bodies tethered then we went under the knife

G

I m reaching out for you, but it s all in my head

D Em C

Midnight till morning, there s too much space in this bed

Em D G Em D

I wait up for you till the sunlight is coming through

[Chorus]

N.C.

It s been a

C G

Cruel summer with a

D Em

No lover and I m

C G D

Uncovered, and I m lost in the heat of the moment

C G

A cruel summer with a

D Em

No lover and I m

C G D

Uncovered, and I m lost in the heat of the moment

[Verse 2]

G

I get so thirsty for just a sip of your love

D Em C

Come on and call me, the sound of your voice enough

G

Want you so bad all I wanna do is run

D Em C G/B

This heat on my back can t seem to escape the sunlight

Em C Em D

I need your shade, oh this sunlight is in my face
