Shade Of You
Daniella Mason

[Verse 1]
```
Bb            C     Dm C Bb
A moth to a flame
Bb                   Dm C Bb
A sinner to his game
Bb                   Dm C Bb
A soldier to his aim
      Bb      C
It s me, on you
```

[Pre-Chorus 1]
```
        Bb                                    Dm F
Are you good for me, good for me, good for me?
        Bb                                    Dm F
Are you good for me, good for me, good for me?
          Bb
Everyone loves you, so I do too
                            Dm      C          Bb
I need what they want and I guess that Â€ s you
```

[Chorus]
```
    Gm        Bb        Dm                  C
So, I ll dive in  cause that s just what I do
    Gm          Bb   Dm           C
And turn right into just another shade of you
    Gm        Bb        Dm                  C
So, I ll dive in  cause thatÂ€ s just what I do
    Gm          Bb   Dm           C
And turn right into just another shade of you
```

[Pre-Chorus 2]
```
        Bb                                    Dm F
Are you good for me, good for me, good for me?
        Bb                                    Dm F
Are you good for me, good for me, good for me?
        Bb                                    Dm F
Are you good for me, good for me, good for me?
          Bb
 Cause I m mad for you, mad for you, mad for you
```

[Chorus]
```
Gm        Bb        Dm                  C
IÂ€ ll dive in  cause that  s just what I do
```

```
      Gm          Bb  Dm              C
And turn right into just another shade of you
Gm          Bb          Dm                  C
I ll dive in  cause that s just what I do
      Gm            Bb  Dm              C
And turn right into just another shade of you

[Interlude]
Bb        Dm  F
Bb        Dm  F
Bb        Dm  F

[Bridge]
Bb                    Dm      F      Bb                        Dm F C
I ll draw you like poison from a wound, I ll draw you
Bb                    Dm      F      Bb
I ll draw you like poison from a wound
Bb                    Dm      F      Bb
I ll draw you like poison from a wound, I ll draw you

[Chorus]
      Gm          Bb      Dm                  C
So, I ll dive in  cause that s just what I do
      Gm          Bb  Dm              C
And turn right into just another shade of you
      Gm          Bb      Dm                  C
So, I ll dive in  cause that s just what I do
      Gm            Bb  Dm              C                  Gm Bb Dm
And turn right into just another shade of you
          C
Another shade of you
Gm                    Bb
Another shade of you
Dm                C
Another shade of you
Gm                Bb              Dm C
(Good for me, good for me)

[Outro]
Gm                    Bb              Dm C
```
