

Technicolour

Daniella Mason

[Verse 1]

Eb

Your touch is like a stroke of genius

Eb

Like B.I.G. to his flow, flow

Eb

We re looking different, they come and see us

Eb

Love is in our eyes, feel it in our skin, our sacrifice

[Pre-Chorus]

Eb

All I know is that I should have known

Eb

Shame on me for telling you to go

Eb

Cause

[Chorus]

Ab

Bb

You color me and when I

Eb/G

Was just fading away

Ab

Bb

Life in technicolour

Eb/G

When it was black and grey and

Ab

Bb

Teacher, preacher, thief

Eb/G

You stole my heart away and

Ab

Bb

Take it, take it, take it, take it

Bb

Cause

Ab

Bb

You color me and when I

Eb/G

Was just fading away

Ab

Bb

Life in technicolour

Eb/G

When it was black and grey and

Ab

Bb

Teacher, preacher, thief

Eb/G

You stole my heart away and

Ab

Bb

Take it, take it, take it, take it

Bb

Cause

[Verse 2]

Eb

I came in with a supernatural

Eb

Vision of spaceships and gold, gold

Eb

Pillars of fire and synthesizers

Eb

Love is in our eyes, feel it in our skin, our sacrifice

[Pre-Chorus]

Eb

All I know is that I should have known

Eb

Shame on me for telling you to go

Eb

Cause

[Chorus]

Ab

Bb

You color me and when I

Eb/G

Was just fading away

Ab

Bb

Life in technicolour

Eb/G

When it was black and grey and

Ab

Bb

Teacher, preacher, thief

Eb/G

You stole my heart away and

Ab

Bb

Take it, take it, take it, take it

Bb

Cause

Ab

Bb

You color me and when I

Eb/G

Was just fading away

Ab

Bb

Life in technicolour

Eb/G

When it was black and grey and

Ab **Bb**

Teacher, preacher, thief

Eb/G

You stole my heart away and

Ab **Bb**

Take it, take it, take it, take it

Bb

Cause

[Bridge]

Eb

All I know is that I should have, should have known

Eb

All I know is that I should have, should have known

Eb

Shame on me for telling you to go

[Chorus]

Ab **Bb**

You color me and when I

Eb/G

Was just fading away

Ab **Bb**

Life in technicolour

Eb/G

When it was black and grey and

Ab **Bb**

Teacher, preacher, thief

Eb/G

You stole my heart away and
