I m not yours anymore
I belong to everyone every where
Who will take me out to the ball game
I am ready to root, root for the home team

I m not yours anymore than
The litter owns the beach
I m not yours anymore than
Than the dust owns the TV screen

G G6 Cmaj7 D

I am skeleton strong my body moves brilliantly
There are wonders that function inside me while I sleep
All the doctors of modern medicine couldn t put their finger on it
How can I be autonomous and yet too foolish to believe...

G-D-G-D

People take your children to the playground
People drink the water from the fountain

(G G6 Cmaj7 D)

And Use me
Use Me

High Instrumental (G G6 Cmaj7 D)

(I m not yours anymore than the sparrow owns the tree
I m not yours anymore, I m public property)
