At first glance this song appears to have an insane amount of chords, and it does, but as my more music-knowledgeable friend pointed out, each chorus is the same relative chords, just up a whole step each time. So if you know your way around a guitar well enough, it s an easy song to play. Here they are in order of appearance:

**C A#m Am Dm Gm D Bm Em E C#m F#m F# D#m G#m G#maj**  
e|-0-1---0--1--3--2-2--0--0-4---2---2--6---4---4----|  
B|-1-2---1--3--3--3-3--0--0-5---2---2--7---4---4----|  
G|-0-3---2--2--3--2-4--0--1-6---2---4--8---4---5----|  
D|-2-3---2--0--2--0-4--2--2-6---5---5--8---6---6----|  
A|-3-2---0--x--2--x-2--2--2-4---5---5--6---6---6----|  
E|-3-2---0--x--1--x-2--0--0-4---2---2--6---4---4----|

**C A#m Am**  
I recall the day when I was in thee  
**Dm**  
Thee womb, I could hear you so soon  
**Gm**  
I will see your face

**C A#m Am**

**Dm**  
I liked to play alone  
**Gm**  
Never ever all alone

**D C Bm**  
My first day to school was so exciting  
**Em**  
Although they all went on and on  
**Am**  
Still rest my head for my wrongs

**Em**

High school days are dark

**Am**

So light the flame

Walking down those halls

**Em**

So light the flame

Learning who I m not

**Am**

So light the flame

No idea of who I m to be

**E**

**D**

**C#m**

My leash was long and so you let me run on

**F#m**

Like all good moms and dads must do

**Bm**

Guess I ll have to do it too

**F#m**

And while I m cookin down

**Bm**

So light the flame

My precious torch burns on and on

**F#**

**E**

**D#m**

Set a flame to the daily paper

**G#m**

Cause there is just no justice here

**C#m**

And who really cares

**G#m**

Skipping through your fire

**C#m**

The first flame

Light dispelling dark

**G#m**

Returning to my roots

**C#m**

Our first flame

Of exactly who

**G#m**

Getting to that place

**C#m**

My first flame

Peace runs through my days

**G#m**

Finally crawling through

**C#m**

The first flame

**G#maj**

With my source, my shield, my you
