

Another Perfect Day

Danni Carlos

**D**                      **E**                                      **G**  
I m holding on, waiting for your call  
**A**  
it s simple but I can t explain this  
**D**                      **E**                                      **G**  
I m sinking down, I feel like I could die  
**A**  
I m falling off I don t know why

**D**                      **A/C#**                                      **Bm**  
I still believe it when you say  
**A**                                      **E**  
it s another perfect day  
**G**  
another perfect day

**D**                      **A/C#**                                      **Bm**  
I still believe it when you say  
**A**                                      **E**  
it s another perfect day  
**G**  
another perfect day

**D**                      **E**  
So I might try  
**G**  
to leave it all behind  
**A**  
I know tomorrow s not so bright now  
**D**                      **E**                                      **G**  
I ll say goodbye, cause nothing good can last  
**A**  
you wear and fade you re no where fast

**Bm**                                      **Bb(5#)**  
and today, I don t know how  
**E**  
to keep it all inside  
**G**  
but I guess I ll let it slide

**D**                      **A/C#**                                      **Bm**  
I still believe it when you say  
**A**                                      **E**  
it s another perfect day  
**G**  
another perfect day
