

Born to love you
Danni Carlos

A C#m D F#m D F#m
I was born to love you
Bm E (E D C# B)
With every single beat of my heart
A C#m D F#m D F#m
Yes, I was born to take care of you
Bm E
Every single day.....

A C#m D F#m D F#m
I was born to love you
Bm E (E D C# B)
With every single beat of my heart
A C#m D F#m D F#m
I was born to take care of you
Bm E A
Every single day of my life
A
You are the one for me, I am the man for you
C#m
You were made for me, you re my ecstasy
D
If I was given every opportunity
Bm
I d kill for your love
E Esus4
So take a chance with me

E Esus4
Let me romance with you
C#m
I´m caught in a dream
And my dreams come true
F#m
It`s so hard to believe this is
Happening to me
B7 E7
An amazing feeling coming through

Repetir refrão
D
I wanna love you
A
I love every little thing about you
D E
I wanna love you, love you, love you

A

Born to love you

E

Born to love you

Every single day i wanna love you

Born to love you

Born to love you

Every single day...
