

Every You Every Me
Danni Carlos

intro: **Em C D / Em C**

Em C D
Sucker love is heaven sent
Em C
You pucker up our passion s spent
Em C D
My heart s a tart, your body s rent
Em C
My body s broken your s is bent
C
Carve your name into my arm
Em
Instead of stressed I lie here charmed
C
cos there s nothing else to do
G B
Every me and every you

Em C D
Sucker love a box I choose
Em C
No other box I choose to use
Em C D
Another love I would abuse
Em C
No circumstances could excuse
C
IN the shape of things to come
Em
Too much poison, come undone
C
cos there s nothing else to do
G B C
Every me and every you
G
Every me and every you
B
Every me

Em C D
Sucker love is known to swing
Em C
Prone to cling and waste these things
Em C D

Pucker up for heaven s sake

Em **C**

There s never been so much at stake

C

I serve my head up on a plate

Em

It s only comfort, calling late

C

cos there s nothing else to do

G **B** **C**

Every me and every you

G

Every me and every you

B

Every me

C **G**

Every me and every you

B

Every me

Em **C** **D**

Like the naked leads the blind

Em **C**

I know I m selfish, I m unkind

Em **C** **D**

Sucker love I always find

Em **C**

Someone to bruise and leave behind

C

All alone in space and time

Em

There s nothing here, But what s here s mine

C

Something borrowed something blue

G **B** **C**

Every me and every you

C **G**

Every me and every you

B

Every me

C **G**

Every me and every you

B

Every me

C **G**

Every me and every you

B

Every me

Em

and every you
