Fever
Danni Carlos

```
Gm
Never know how much I love you
Never know how much I care
When you put your arms around me
        D7                      Gm
I get a fever that´s so hard to bear
You give me fever when you kiss me
Fever when you hold me tight
Fever in the morning
D7                     Gm
Fever all through the night.
Gm
Sun lights up the daytime
Moon lights up the night
I light up when you call my name
        D7                      Gm
And you know I´m gonna treat you right
Gm
You give me fever when you kiss me
Fever when you hold me tight
Fever in the morning
D7
Fever all through the night
G#m                   C#
Everybody´s got the fever
G#m                      C#
That is something you all know
G#m
Fever isn´t such a new thing
