```
 Db7M        F#
Yesterday I got so old
  Db7M                 F#
I felt like I could die
 Db7M        F#
Yesterday I got so old
   Db7M               F#
It made me want to cry
    Db7M
Go on go on
      F#
Just walk away
    Db7M
Go on go on
       F#
Your choice is made
    Db7M
Go on go on
      F#
And disappear
    Db7M
Go on go on
 F#
Away from here
```

```
      Ebm7
And I know I was wrong
       Ab7/4
When I said it was true
       Ebm7                   Ab7/4
That it couldn t be me and be her
                    Db7M  F#
Inbetween without you
        Db7M  F#
Without you     -> 3x
```

```
Ebm7    Ab7/4

I shivered like a child
 Db7M       F#
Yesterday away from you
```

```
    Db7M                    F#
It froze me deep inside
      Db7M
Come back come back
        F#
Don t walk away
      Db7M
Come back come back
        F#
Come back today
      Db7M

Come back come back
        F#

        Ebm7
And I know I was wrong
          Ab7/4
When I said it was true
        Ebm7                      Ab7/4
That it couldn t be me and be her
                      Db7M  F#
In between without you
        Db7M  F#
Without you       -> 3x
