## It Must Have Been Love Danni Carlos

Lay a whisper on my pillow, leave the winter on the ground C I wake up lonely, there s air of silence in the bedroom and all around Am Touch me now, I close my eyes and dream away G It must have been love, but its over now DmIt must have been good, but I lost it somehow It must have been love but its over now from the moment we touched till the time had run out Make believing, we re together that I m sheltered by hour heart But in and outside I ve turned to water like a teardrop in your palm Am C And its hard, winter s day, I dream away It must have been love, but its over now Dm Am It was all I wanted, now I m living without It must have been love but its over now Its where the water flows, its where the wind blows Solo: Dm C Bb Dm F C Bb Dm C It must have been love but its over now Gm Dm
