Bb5

Gb5 Ab5

Gb5

Ab5

but not the little things

Armageddon may

Arrive any day

I can t get away

from the little things

Db5

With (my violent curse ?)

And a bucket of tears i could

Eb5

Look at the sunlight

and I d feel no fear

Gb5

With a mountain of maybes

And some Icarus wings

Ab5

And I m honored delusions
And one little thing.
And that one little thing
And that one little thing
And it all comes down to you-u-u

Have you heard the news?
Bad things come in twos
But i never knew
 Bout the little things
Every single day
things get in my way
Someone has to pay
For the little things

Have you heard the news?
Bad things come in twos
But I never knew bout the little things
Every single day
Things get in my way
Someone has to pay
For the little things
