F

Am **F**
I feel it's far too late for you to learn

C **G** **Am**
You tuck your pants inside your socks, and wear a hood over your cap

I'm tired of all the fools, I feel I have to suffer
I'd rather watch them all burn
Got an axe to grind, I speak my mind, are you gonna listen
Or is it far too late, for you to learn

You tuck your pants inside your socks, and wear a hood over your cap
Oh yeah, you think you're looking hard, oh yeah, you think you're looking good
You don't need a job cause you sell crack, but there's an Ak47 pointing at your back
Oh yeah, it's looking really good

Am **F**
Karma, come on karma,
Am
When you gonna strike them down
F
When you gonna strike them down

Karma, come on karma,
When you gonna strike them down

When you gonna strike them down
