

## Four Walls

Danny Mahon

Danny Mahon feat. Becca Williams - Four Walls

-----

**E**  
When your four walls

**B**  
Feel like they re closing in on you

**C#m**  
Stay strong

**A**  
You must stay true

**E**  
You re not the only one

**B**  
I ve been there too

**C#m**  
See we ain t that different

**A**  
In fact I m a lot like you

**B** **C#m**  
So please hold on to all your dreams,

**A**  
No matter how cold it may seem,

**B**  
You can make it in the end,

**E**  
There ll be some sunshine round the bend

Repeat for female part then chorus together, couple of tweaks to vocals etc.  
It s obviously massively simplified & I can t play it anything like Danny  
myself,  
but it s working for me, hope it does for you :)
