Binary Star
Danny Michel

Binary Star
Danny Michel
I can t figure out how to fix the formatting, so please note:
Each chord is played on the last word of each line (approximately), except for
the E7
and Am7 chords.
Play those chords just before the first word of the line.

notes for opening melody:: GGAGB BBBB GAGBBG# CCCBBAAAA CCCBAF#
Chords for opening melody: **G**-**E**-**Am**-**D**

G
My binary star
E
together we move
Am
companions for life
D
the ballet, the groove.
G
My binary star
E
You re brighter than me
E7 Am
Nothing compares
Am7 D
You re all I see.
G
My binary star
E
I m counting on you
E7 Am
Wherever you spin
Am7 D
I shadow your moves
G
My binary star
E
Tell me what s wrong
E7 Am
You stand in the dark
Am7 D
And stare at the sun.
G (notes for background vocal melody: GF#DB)
My binary star (binary star)
E
We gotta be strong

E7   Am
You spin out of control
Am7   D
And you drag me along.
G
My binary star
E
I thought you were mine
E7   Am
But gravity calls
Am7   D
And you leave me behind
C - CD
And now your shadow eclipse
Em
It rubs me out in the night
Am
You ve made me a fool
D
You drift out of my life
G
You re the primary star
E
Go on, be free
E7   Am
I m secondary
Am7   D
It s all I ll ever be
G
My binary star (binary star)
E
Things can t be the same
E7   Am
You ve drifted too far
Am7   D
There s no one to blame
C-D
My binary star
Em
My binary star
C-D-G
My binary sta-ar.
