

**Come To Silver Acoustic  
Danzig**

I was looking around and noticed there wasnt anything for danzig s come to silver on UG so I thought I d throw one in there. This is a really simple song to play, all the chords in the verse are just two strums down. Pretty basic. Any q s needed to be a d, just e-mail me at weeman\_00@hotmail.com.

**Em**            **G**  
Come to silver  
**D**            **A**  
Come to gold  
**Em**            **G**  
Come do any old thing  
**D**                            **A**  
Sell your body and soul  
**Em**            **G**  
Make you kill a man  
**D**            **A**  
Ruin your soul  
**Em**            **G**  
Come to silver  
**D**            **A**  
Come to gold

Play This Twice

E (down,down,up,down,up)  
G (down,up,down)  
D (down,down,up,down,up)  
A (down,up,down)

**Em**            **G**  
Come to silver  
**D**                            **A**  
Just as hard as you can  
**Em**            **G**  
Come do anything  
**D**                            **A**  
For life of sin  
**Em**                            **G**  
You can have everything  
**D**                            **A**  
Big house up on a hill  
**Em**            **G**  
Come to silver  
**D**            **A**

Come to kill

Play This Twice

Em (down,down,up,down,up)

G (down,up,down)

D (down,down,up,down,up)

A (down,up,down)

**Em**                   **G**

Come downhearted

**D**                   **A**

Come to gold

**Em**                   **G**

It ll make you lose your way

**D**                   **A**

Turn your heart so cold

**Em**                   **G**

Steal the wife of another man

**D**                   **A**

Let money buy her love

**Em**                   **G**

Gonna be some hard time

**D**                   **A**

When you come to gold

Play This Twice

Em (down,down,up,down,up)

G (down,up,down)

D (down,down,up,down,up)

A (down,up,down)

**Em**                   **G**

If you come to silver

**D**                   **A**

If you come to gold

**Em**                   **G**

Hope that you re happy

**D**                   **A**

With the life you ve sown

**Em**                   **G**

Coulda had everything

**D**                   **A**

But you didn t want to know

**Em**                   **G**

You had to come to silver

**D**                   **A**

You had to come to gold

Play This Twice

Em (down,down,up,down,up)

G (down, up, down)

D (down, down, up, down, up)

A (down, up, down)
