D **G**
The First Day of fall is the last day I ll kiss the sky
Bm **G**
The cold air surprises my bones have been spoiled by the summer s heat
D **G**
The sun hides its face, and I ll hide mine too
Bm **G**
Sooner or later this winter will rain down and leave me to wait for one year.
A **G** **A** **G**
I ll be there, I ll be there
A **G**
Next year this time, I ll be there
A **G**
I ll dream of the past, and wish that I was there.

SOLO **D G Bm G**

D **G**
I am burning the letters of days gone by
D **G**
I m sorry, but I m scared that my heart will regret all the things that I ve
done
D **G**
Breathe in all of the ashes of my mistakes.
Bm **G**
Gently collapse so no one will notice you re falling too short of your breath.
Bm **G**
I ve wasted more time dreaming than living.
Bm **G**
I ve wasted more time dreaming...
Bm **D G A**
I ll be there, I ll be there

So cherish these days, enjoy every breath like it will be the last of your life.
