VERSE 1

Dm
well someday s gone

C
well someday s come quicker than you

Dm
would have liked to

C
you know, time can be thin

Dm

but it s always thicker when you think that it s slow

C **Dm**

an hour s pass is only as fast as you let yourself let them go

C **G**

mmm

CHORUS

Dm **G**
i had a day, still a week, a week, a year
C **F**
i feel the months are jumbled into just one day
Dm **G**
C **F**
and when i thought about it i decided when i tried it i could make time go away
G G (let ring)
but you gotta make time for time
F F (let ring)
you can t fast forward no
G G (let ring)
you definitely can t rewind
F **Dm**
that s how i know you gotta live for now

INTRO TAB

VERSE 2

Dm
well some nights last
C **Dm**
and other times i ll find my mind let s them go way too fast
C **Dm**
it s just the kind of thing that really gets me going when i can t find a piece
of past
C **Dm**
the memories cap this disease like sand when it sees a piece of glass
C **G**
mmm

CHORUS

INTRO TAB

BRIDGE

Dm **F** **C**
G
it s early evening, afternoon and pretty soon before you know it time s telling
you it s gone
Dm **F** **C** **G**
damn time can t be defined by on all the lines of conclusions that can t be
drawn

CHORUS

instead of **Dm**, do **D**
