Great song by a great artist! Enjoy :)

Capo II on Album, III on YouTube videos

Use full chords and if you choose to finger pick, hit the two bass notes with your thumb between each strum.

G
Well I put my foot down,
B
And finally hit ground,
C **G**
That didn't give beneath the weight,
G
I put my shirt on,
B
The curtains drawn,
C **G**
Wonderin' how long this would take.

A7 **D D** **G**
Cuz it's not as simple as love and hate,
A7 **D D** **G**

Now I've wasted so much not knowin' that and I'm runnin' late.

G
Well I drive my car fast,
B
Just tryin' to get past,
C **G**
This traffic, but it ain't no use,
G
Now all these lights flash,
B
Red, give it less gas,
C **G**
But my break pedal's loose,

A7 **D D**
Well sometimes I miss you,

G

Sometimes I don't,

A7

D D

And sometimes I'll admit that,

G

And sometimes I won't.

D

B

Now isn't it strange, to find,

C

G

That end point in your mind?

D

B

And all of this change, defined,

C

A7

The way I got to leaving you behind.

G

Love is so blind,

B

For me, a different kind,

C

G

Of not being able to see,

G

What have you done here?

B

What have you done dear?

C

G

No more what you're doing to me.

A7

D D

G

Cuz it's not as simple as love and hate,

A7

D D

G

Now I've wasted so much not knowin' that and I'm running late,

A7

D D

G

Yeah, I've wasted so much time and I'm running late.
