

**G** **Dsus2/F#** **Em**  
I'm gonna bite my tongue next time that you're speaking  
**C**  
cause you deserve the time of day  
**G** **Dsus2/F#** **Em** **C**  
I abused your kindness with my weakness, and threw it in your face  
**G** **Dsus2/F#** **Em**  
Way to go, way to go, what a joke, I'm a joke  
**C**  
If only you could see how I feel  
**G** **Dsus2/F#** **Em**  
You'd bite your tongue next time that I'm screaming  
**Bm**  
See, I ain't angry with you  
**Cadd9** **D** **Em**  
There's no escaping what I've done  
**Em/B** **C** **D**  
I hope you hear these words  
**Em** **Bm** **C**  
Lord, strike me down if any one of them's untrue  
**D** **Em** **Em/B** **C**  
You are the reason I am what I've become, I owe you  
**D** **G**  
Even though you don't want nothing, I owe you one

VERSE 2:

                  Dsus2/F#  
Ah-ah-ah  
G                                  D/F#                                  Em                  Cmaj7  
  Hand on heart, I don t think there s any other way to say this  
G                                  D/F#                                  Em  
  But I admit being a prick didn t do me any favors  
                                  Cmaj7                                  G  
I mean I ve been called, every name under the sun s in my eyes  
                                  Dsus2/F#  
But it feels pitch black inside  
                  Em  C  
I swear I put you through so much, now I couldn t lie to you if I tried  
G                                  Dsus2/F#                                  Em  
  I admit acting a fool didn?t do me any favors  
                                  C  
Imagine if I never got to see you again

CHORUS

VERSE 3:

Dsus2/F# G                                  Dsus2/F#          Em                  C  
                  Hoh-oh-oh, oh ohhh-oh-oh, oh-oh-oh-oh-oh  
                  G                                  Dsus2/F#  
Just bleed with me, let me speak to me  
                  Em  C  
I?m so sorry if I?ve drained you out  
G                                  Dsus2/F#  
  That s why I love you  
Em                                  C  G  
  And I hope you re glad you made me finally say it  
                                  Dsus2/F#  
I m nothing without you  
Em                                  C  
  Just tell me, imma see you again  
G                                  Dsus2/F#                                  Em  
  I?m gonna bite my tongue next time that you?re speaking  
                  C  
  cause you deserve the time of day  
G                                  Dsus2/F#                                  Em                  C  
  I abused your kindness with my weakness, and threw it in your face  
G                                  Dsus2/F#                                  Em  
  Way to go, way to go,                  what a joke, I?m a joke  
                  C  
If only you could see how I feel  
G                                  Dsus2/F#                                  Em  
  You d bite your tongue next time that I?m screaming  
                                  Bm  
See, I ain t angry with you  
Cadd9                                  D                                  Em  
  There s no escaping what I ve done

Em/B C D
