VERSE 1:

**G** **Dsus2/F#** **Em** **C** **G**  
I owe you, but I can't believe it's took me this long to say it  
**Dsus2/F#**

cause I have been hiding the truth  
**Em** **C**  
Didn't think I'd let you in on this shit

**G** **Dsus2/F#**  
But you know I wouldn't be here

**Em** **C**  
If it wasn't for you, you see I've tried this on my own

**G** **Dsus2/F#** **Em** **C**  
I owe you, imagine if I never got to see you again

**G** **Dsus2/F#** **Em**  
I'm gonna bite my tongue next time that you're speaking  
**C**  
cause you deserve the time of day

**G** **Dsus2/F#** **Em** **C**  
I abused your kindness with my weakness, and threw it in your face

**G** **Dsus2/F#** **Em**  
Way to go, way to go, what a joke, I'm a joke  
**C**

If only you could see how I feel  
**G** **Dsus2/F#** **Em**  
You'd bite your tongue next time that I'm screaming

**Bm**  
See, I ain't angry with you  
**Cadd9** **D** **Em**  
There's no escaping what I've done

**Em/B** **C** **D**  
I hope you hear these words

**Em** **Bm** **C**  
Lord, strike me down if any one of them's untrue  
**D** **Em** **Em/B** **C**  
You are the reason I am what I've become, I owe you

**D** **G**  
Even though you don't want nothing, I owe you one

VERSE 2:

Dsus2/F#  
Ah-ah-ah  
G D/F# Em Cmaj7  
Hand on heart, I don't think there's any other way to say this  
G D/F# Em  
But I admit being a prick didn't do me any favors  
Cmaj7 G  
I mean I've been called, every name under the sun's in my eyes  
Dsus2/F#  
But it feels pitch black inside  
Em C  
I swear I put you through so much, now I couldn't lie to you if I tried  
G Dsus2/F# Em  
I admit acting a fool didn't do me any favors  
C  
Imagine if I never got to see you again
