

Nobody Knows
Darin

This is my first tab on here. I took this out by ear really quickly and the chords are pretty basic. It's really just C, G, Am, F through the entire song. Hope you enjoy!

Nobody Knows - Darin

D

Iâ€™m lost in the streets in the city of pain

A

I learned how to cry, how to go insane

Bm

G

Your love, because of your love

D

The gypsy woman in the corner knows my name
