Half Dead Eyes Dark Avenger (Mario Linhares / Leonel Valdez) F#m Once I played with a tender and very young heart Half dead eyes and a brown face I had never seem O you really touched me... F#m Joking with fate and trying not to take it seriously But your image in my mind Was getting hard to set free And now I see myself trapped inside a barless heart C#m A large smile always opened baby, to receive O little child don t you see that now you rule me I m real insane a trashman threw at your feet F#M It s hard to find the right words to define you O little baby what can I do to be beside you Е How can I call your name if you hide and run away? D BmI don t know, I just say F#m E F#m E F#m E F#m my half dead eyes. F#m Now I wonder what is waiting for our young hearts Will our fates expecting join our bodies, minds and souls? Tell me cos I don t know... F#M ... and even though another one now shares my life I can t avoid your eyes,

cos now mine, baby, are so blind

To feel your breath, your heart, gorgeous and so beauty lips

Smell your hair, your body; Lick your sweat, eternally C#m D Hold in my arms the object of my crazy desire And put an end in my restless, boiling fire (solo) To feel your breath, your heart, gorgeous and so beauty lips \mathbf{Bm} Smell your hair, your body; Lick your sweat, eternally C#m D Hold in my arms the object of my crazy desire And put an end in my restless, boiling fire F#m It s hard to find the right words to define you O little baby what can I do to be beside you Е How can I call your name if you hide and run away?
