

Half Dead Eyes
Dark Avenger

(Mario Linhares / Leonel Valdez)

F#m

Once I played with a tender and very young heart

E

Half dead eyes and a brown face I had never seem

O you really touched me...

F#m

Joking with fate and trying not to take it seriously

But your image in my mind Was getting hard

E

to set free

D

And now I see myself trapped inside a barless heart

Bm C#m

A large smile always opened baby, to receive

D

O little child don t you see that now you rule me

Bm

I m real insane a trashman threw at your feet

F#M

It s hard to find the right words to define you

O little baby what can I do to be beside you

E

How can I call your name if you hide and run away?

D

Bm

I don t know, I just say

F#m E F#m E F#m E F#m

my half dead eyes.

F#m

Now I wonder what is waiting for our young hearts

Will our fates expecting join our bodies,

E

minds and souls?

Tell me cos I don t know...

F#M

... and even though another one now shares my life

I can t avoid your eyes,

E

cos now mine, baby, are so blind

D

To feel your breath, your heart, gorgeous and so beauty lips

Bm

Smell your hair, your body;Lick your sweat,eternally

C#m D

Hold in my arms the object of my crazy desire

Bm

And put an end in my restless, boiling fire

(solo)
