

Wild Go

Dark Dark Dark

I figured these on a piano, so if you re looking for the piano chords you re in the right place.

The left hand is playing the triads in root position basically the entire song, like 1-5-3-3.

Sorry if it s difficult to read, this is the first time I submitted chords.

Dm **F**
Across this land
Dm **F**
Land once ruled by men
Dm **B** **A**
The wild would pull them
Dm **F**
Maples grew and fell
Dm **F**
Rivers turned back on themselves
Dm **B** **A**
The wave rolls in and with it takes the sand

F#m **D**
Dragon flies with wings
F#m **D**
Eyes so big would see
F#m Gm F#m A B A
Children born without wings

Dm **F**
Times are different now
Dm **F**
The bricks that rose now fall
Dm **F**
Branches push through the walls
B **Dm** **F**
To carry a path that we donâ€™t see
Dm **F**
Warm air lifts us free
Dm **B**
A path we draw are gone
A
When we fall
Dm **F**
And everythingâ€™s as it was
Dm **F**
The world stands still without us
Dm **B**
The paths we draw are gone
