

I Dont Care
Darren Criss

C E7 E
Baby I donâ€™t care
C E7 E
The what, when, how or where
F B
Folks may try to laugh and make a fuss
C E
And try to make shit hard for us
Dm7 C
But darling I donâ€™t care

C E7 E
Darling I donâ€™t mind
C E7 E
What they think theyâ€™ll find
F B
Of all the secrets they have told
C E
At least Iâ€™ve still got you to hold
Dm7 C
So darling I donâ€™t mind

C7 F C
â€™Cause Iâ€™ll be the one to hold you
Dm7 C E
When the nights are cold
C7 D7
And although I know I told you
Dm7 C
I will tell you forever more that

C E7 E
I donâ€™t give a damn
C E7 E
If they canâ€™t understand
F B
Of all the things that we have learned
C E
Theyâ€™re nothing far as Iâ€™m concerned
Dm7 C
So I donâ€™t give a damn

C7 F C

â€˜Cause Iâ€™ll be the one to hold you

Dm7 **C** **E**

When the nights are cold

C7 **D7**

And I know, I know I told you

Dm7 **C**

Anâ€™ I will tell you forever more that

C **E7** **E**

Babe, it ainâ€™t no thing

C **E7** **E**

That viper venom sting

F **B**

â€˜Cause even if it got your goat

C **E**

I ll kiss you with the antidote

Dm7 **C**

So babe it ainâ€™t no thing.

Dm7 **C**

Darling I donâ€™t care.

Dm7

Baby I donâ€™t,

Dm7 **C**

Baby I donâ€™t mind.
