**G** **D**  
Love, Youâ€™re in pieces  
**Em** **C**  
Thereâ€™s no one left to lay you down  
**G**  
Or say itâ€™s okay  
**D**  
On the worst night  
**Em** **C**  
Of the worst year that we might fall  
**Csus2 G**  
Weâ€™ll go out punching  
**D**  
You hit me like a subway train  
**Fm**  
And I will never be the same  
**C Csus2 G**  
And darling Iâ€™ll follow you down to the ground  
**D**  
Even when you fall apart  
**Em**  
Iâ€™ll pick up your bloodstained heart  
**C Csus2 G**  
And darling Iâ€™ll follow you down to the ground

In the gutter  
Were you starless and blind to dreams?  
We can dream each other  
To a new day  
Where the good guys always win  
And heaven still means something
