I think IÂ´m there, or at least really close. For what
IÂ´ve heard,
the live version (Spin Rerelease) has a piano solo
(that would
make the song easier to tab). Still, hope itÂ´s right.
If not,
let me know (or just mail). And also, if you happen to
have the
chorus and bridge for Creepin Up On You (ItÂ´s in Cm),
LET ME KNOW!

(Verse 1)
          A
If I woke ...
            E
If I bought ...
      F#m
If I lied when ...
                    D
32 inches was the ....

(Prechorus)
        A   **E**
And can I ...
                                D (if not, F#m?)
But I liked ...

(CHORUS)
            A   E
Could I be ...
            F#m   D
Could I be good...
        A
If the going ...
      E
The days...
        F#m
IÂ´d be good...
                        D
Better than best ...

```
      F#m (if not, A?)
If everything I give...
        D
If itÂ´s all ...
NC
tell me ...

(CHORUS)
D                             E
I donÂ´t ...
A                           F#m E
 But I know ...
D                                       E
But thereÂ´s some...
      D           C                 G             D
That road gets tough...
            F                     C
And if you give me some...
            G
Could you pass ...
        D
And tell me babe ...

(Last Chorus)
              Bb     F
Could I be ...
            Gm     D#
Could I be ...
        Bb
If the going ...
      F
The days ...
        Gm
IÂ´d be good...
                            D#
Better than be...
      Gm (if not, Bb?)
If everything I g...
        D#
If itÂ´s all...
NC
tell me ...
