

Insatiable

Darren Hayes

Insatiable

When moonlight crawls along the street
Chasing away the summer heat
Footsteps outside somewhere below
The world revolves I let it go
We build our church above this street
We practice love between these sheets
The candy sweetness scent of you
It bathes my skin I'm stained by you
And all I have to do is hold you
There's a racing in my heart
I am barely touching you

Chorus

Turn the lights down low
Take it off Let me show
My love for you Insatiable
Turn me on Never stop
Wanna taste every drop
My love for you Insatiable

The moonlight plays upon your skin
A kiss that lingers takes me in
I fall asleep inside of you
There are no words
There's only truth
Breathe in Breathe out
There is no sound
We move together up and down

We levitate our bodies soar
Our feet don't even touch the floor
And nobody knows you like I do
Cos the world they don't understand
But I grow stronger in your hands
