Amen Kind of Love Daryle Singletary

E **A** **E**
Don t guess I ve ever loved another
E **A** **E** **B**
Never once before did I really see the light
 E **A** **E**
for they were barely friends and merely lovers
 E **A** **E** **B**
And it s taken what you ve given me to feel like I do tonight

CHORUS:

E **B** **E** **B**
I (we) am moved by the spirit I m (we re) here to tensify
 E **A** **B**
I (We) found an A-men kind of love
 E **A**
The kind that makes you fall down on your knees
 B
and reach for the sky above
 E **A** **E** **A**
The kind that your soul can never get enough
 E **B** **A** **E** **E** **B** **E**
I (we ve) found an A-men, A-A-Amen, A-men kind of love
E **A** **E**
You ve given love a brand new meaning
E **A** **E** **B**
Bound by a higher power then I ve ever known before
 E **A** **E**
Safe in your faithful arms I am leaning
E **A** **E** **B**
Once I was lost but I am found for ever more and

go to chorus, lead, chorus, instrumental to end.
