Though she s never out on her own

C F Dm
She ll come inside me, takes me home

Dm Am G
I ve never been this far away

You re the one
You make me feel so young
Old enough to change your name
You re the one, shines so bright just like the sun
Every time you walk away

Stay - never leave me - don t let me down
Stay - never leave me - don t let me down

Though she s never out on her own
She ll come inside me, takes me home
I ve never been this far away

Stay - never leave me - don t let me down

Stay - never leave me - don t let me down

Stay - never leave me - don t let me down

Stay - never leave me - don t let me down

Never leave me you re the one

Never leave me you re the one

You re the one
