Painful

Dash And Will

Hey guys, this is my first tab so go easy ;) sorry about any lyrical errors but the

chords sound about right. Heard this song on Rockwiz and figured i had to learn it. Any

suggestions or corrections, email me at rlittle1207@gmail.com. Enjoy!

Capo 1st fret or you can play bar chords instead of chords Without Capo, sounds better if playing to the record, chords are:

C = C#

G = G#

F = F#

Am = Bbm

Dm = Ebm

Intro - C

Verse 1

C

Ive been playing up

F

Kissing strangers

C

I like to talk it up

F

Keep it dangerous

G G

When it gets too much

Ill see you later

C G

Oh you tee out of luck ?????? (not sure of lyrics here sorry :P)

F

Wont you do me a favour?

Chorus

C

Cause Im used and hanging around

Dm

Keep on stalling

C G Dm

I cant get further than you

Am G

```
Yeah it gets a little painful
Sometimes it gets a little painful
Ill sit here and watch the rainbows
And I still like it when it's painful
Verse 2
Cause its real
        G
Ooh you know I was joking
        G
But its not my fault
        C
Well it could have been a lot worse
                 G
You and me we'll leave it alone
Chorus
Cause Im used and hanging around
       Dm
Keep on stalling
  C
I can't get further than you
                C
                      G
And I guess its all a little over
                G
And thats just what I feel
                      Am
                                  G
Yeah it gets a little painful
Sometimes it gets a little painful
                                         G
Ill sit here and watch the rainbows
And I still like it when its painful
Yeah it gets it gets a little painful
(solo)
(Am), G, F
Cause Im used and hanging around
        Dm
Keep on stalling
  C
       G
                        Dm
```

I cant get further than you

C G Dm

And I guess its all a little over

C G

And thats just what I feel

Am G

Yeah it gets a little painful

F

Sometimes it gets a little painful

Am G F

Cause its real real real real.

And thats it :) hope i didnt make too many mistakes. Again, feel free to email me any

mistakes i ve made or just suggestions. Thanks :)
