E5 **E**?

Down in a local bar, out on the boulevard

E5 E?

The sound of an old guitar is saving you from sinking

A5 B5

Its a long way down, its a long way

E5 E?

Back like you never broke, You tell a dirty joke

E5 E3

He touches your leg and thinks hes getting close for now you let him

A5 B5

Just this once, Just for now

A5 B5

And just like that its over

E A5

Dont turn away, dry your eyes dry your eyes

C#5 A5

Dont be afraid, keep it all inside all inside

E A5

When you fall apart, dry your eyes dry your eyes

C#5 A5

Life is always hard for the belle of the boulevard

E5 **E**?

In all your silver rings, and all your silken things

That song you softly sing is keeping you from breaking

A5 B5

Its a long way down, its a long way

E5 E3

Back here you never lost, you shake the shivers off

E5 E7

You take a drink to get your courage up can you believe it
