Title : Everybody Learns From Disaster

Capo 1st Fret

Intro: **C**

C
We went rolling up the coast til
C/E F
there was no more coast to wander
C
We tried every different road
C/E F
just to see which took us further
C
We were living on the run but
C/E F
there was no one chasing after
C
We were looking out for love and
C/E F
we were flirting with disaster
G
While the world fades out

Chorus:

C
We stayed in the sun too long
F
Suffered a terrible burn
G F
Now everybody learns from disaster
C
We stayed on the run too long
F
Hoping we d never return
G F
Now everybody learns from disaster
G
We watched the sun burn
C
down into cinders
