

Living In Your Letters
Dashboard Confessional

Standard tuning, not so sure about the chord names. I would say close enough if you don't wish to change your guitar's tuning.

	D	F#m*	D7*	G	F#m	D5	Dsus4	D5*
E	-2-----2-----2-----3-----2-----5-----3-----0-

[verse]

D	F#m*	
I m always assuming the worst		
	D7*	
but you re going on none the less		
	G	D-F#m*-D
and there s nothing to cushion your heart led fall.		
Letters from further away		
keep pulling me close to home		
and there s something to cushion my callous sighs.		
And I know that you hope for		
longer good-byes		
embracing for forever		
and falling in your eyes		
in your eyes		
in your eyes		

[chorus]

D	F#m	G
Pouring over photographs		
D	F#m*	
I m living in your letters.		
Breathe deeply from this envelope		
it smells like you and I can t be		
without that scent, it s filling me		
with all you mean to me		
...to me		

[verse]

Continually failing these trials
but you stand by me nonetheless
and you won't let me sink
though I m beggin you.
Phone calls from further away
and messages on my machine,

but I don't ever tell you this distance
seems terrible.

There is no need to test my heart,
with useless space.

These roads go on forever
there'll always be a place,
for you, in my heart.

D5, Dsus4, D5*, Dsus4, D (x2)

D5

So I'll hit the pavement

Dsus4

D5*

Dsus4-D

it's gotta be better than waiting
and pushing you far away
cause I'm scared.

So I'll take my chances
and head on my way up there.

Cause turning to you is like falling in love when you're ten
