INTRO

VERSE 1:

B
With your focus is changing; your gaze is transfixed on a point that I can't
often see

CHORUS 1:

VERSE 2:

B G# C# E B

I heard that you were living well, but you don't look like you're living to me

 G# C# E

B

Though the sparkle is gone, the smile is in place so that everyone watching can see

 G# C# E B

You've got them all convinced, but I know it so well;

G# C# E B
That you could list your friends, but you can't count on them

CHORUS 2

B G#
Hold it now
E B
You've got everyone convinced that you're alright
G# E G# - F#
When no one else is quite as vulnerable

BRIDGE

B G#
As soon as you got it you want something else
C# E
It's not the sale that you love, it's the sell
B G#
It's not the price that's going to cost you
C# E
It's just the weight that's going to bring you
B G# E
Down, down, down, down
B G# E
It's going to bring you down, down, down, down, down

CHORUS 1

CHORUS 2

BRIDGE

OUTRO:

E B
It's going to bring you down.
