Dorms unload & your heading out. Here is your moment to shine. Making up a history.

It s nothing from the life you lead but man, will they buy all your lines. Sleep with all the sheets off
bearing your mattress
bearing your soul.
And you re dying to look smooth with your tattoos
but you re searching just like everyone
could be anyone.
And the friends that you have are the best
impressing most of us as permanent
and I d like to see you undone.
Youth s the most unfaithful mistress.
Still we forge ahead to miss her.
Rushing our moment to shine.
Making up a history,

It s nothing from the life you lead but man will they buy all your lines.

We re not twenty-one, but the sooner we are, the sooner the fun will begin, so get out your fake eyelashes, and fake i.d s, & real disasters ensue, it s cool to take these chances. It s cool to fake romances & grow up fast.
