THE SHARP HINT OF NEW TEARS

by: Dashboard Confessional

album: The Swiss Army Romance

chords by: morphinekiss (morguerita@sailormoon.com) 2/11/2005

This tab is as simple as it can be. I've narrowed it down to three essential chords, although there are several more that are used in the chorus and bridge. Feel free to throw those in at will -- this tab is just a guideline to the very basics of the song.
Have fun!
